### **Mee Farmers**

- Location: Northamptonshire near Peterborough
- Roles: Fruit Picker and/or Packhouse worker
- Start and finish dates: Mid-June to mid-October (we can be flexible on start and end dates – we have a busy 4/5 week spell during July and August should people only want a short spell of work)
- Salary: Minimum Living Wage £8.72 (18 years +) plus fruit picking bonus. If anybody is put in supervisory role then the pay will be higher.
- Specific skills required: One role for a person who can drive a tractor/forklift. All other roles just require a willingness to be part of a team and enjoy a great experience in beautiful countryside
- How to apply: Send your CV to [meefarmers@outlook.com](mailto:meefarmers@outlook.com)
- Additional information: We will be looking to recruit about 30-40 staff, approximately 20-30 for picking fruit and 10 for the packhouse. However, if the packhouse has a quieter day it is great if people don't mind either picking fruit or other field duties eg weeding, tipping bushes etc so we can keep them busy full-time.
